## FEATURES, BENEFITS, AND ADVANTAGES

The Gold Package includes an unlimited downhill season pass, an all winter season storage locker, a tubing season pass, and a cross country season pass. You also receive 3 FREE DOWNHILL LIFT TICKETS valued at \$60 each (total value \$180), and discounts at 10 other ski resorts in Minnesota, North Dakota, South Dakota, and Michigan. Note: If you are investing in a Family Gold Pass you will receive 12 free lift tickets (total value \$720) and 2 secure storage lockers. Upgrade your family Gold locker to a double or triple. Ask today about your special rate. A family of 3 or 4 includes a mom, a dad, and children (up to age 21) who live at the same address.

This pass may be used any hour or day that Andes is open to the general public. All you have to do is present your season pass card at the front desk to receive your daily ticket to the slopes for as long as you like. It only takes 6 visits to have your pass paid for an entire season, and only 4 times if you purchase a family pass! A family of 3 or 4 includes a mom, a dad, and children (up to age 21) who live at the same address.

Secure and convenient lockers are located in the chalet. They can be used to store skis, boots, helmets, snowboards, snowboarding boots, and clothing. One season pass holder says: "I'm so glad I have a locker because I don't have to carry all my equipment back and forth to my vehicle every time. I also don't have to worry about my equipment being tampered with or stolen because it is locked in so securely." Lockers are available in single, double, or triple.

You can use the tubing pass any day the tube hill is open to the general public. Your pass may be used once a day in exchange for an all day tubing ticket.

If you don't have your own equipment, you can rent Andes equipment for the season. Simply add this price to your lift ticket season pass and you are complete! The ski/snowboard combo pass saves you \$215 off the standard price. Rentals may be used daily on Andes Tower Hills property only. Rental Slips must be filled out each time you rent.
